Turnaround

All portraits will receive a proof to approve before we print within 4 business hours. After we receive an approval orders ship within 2-4 business days.

Expedited Services

Expedited service is available to ship your portrait within 1-2 business days for a small additional fee. Just let your designer know in the Special Instructions or call 715-362-0990 for details.

Gallery Wrapping

Canvas Portraits are stretched and mounted onto 1 1/2 inch professional-grade Fir Wood stretcher bars and will arrive complete with picture wire for hanging. Three inches of printed material will be folded around to the sides and back. If there are insufficient margins to work with-in your submitted artwork, your PHATprints designer may stretch or mirror portions of your image around the edges. (Any questions, please call.)

Material

We start with Museum Grade Canvas media and print using eco-friendly Inks. The result is a super rich and durable image that will last a lifetime.

Free Image Enhancement

Our talented designer utilizes the original image and adds clarity, color and contrast as needed to provide an overall richness to the original image.
